Hi Cheryl,  
It looks like Jan.28 after noon CST or Feb. 4 from 11:30 am to 1:30 pm CST work for all of us. I have asked Mike Meddock and Rob Walker of SME to participate, as SME has issued a proposed Sampling and Analysis Plan for the site.  
Thank you!  
Angela

We would like to schedule a conference call with all interested parties to discuss the status of the Site and related activities. In particular, we would like to discuss written access; current sampling/boring activities and results; and your PRP/title search activities and results. Are you and your clients available next Thursday, January 28, at 11 am CST? Alternatively, we are available the following week on Tuesday, February 2, or Thursday, February 4. Once we confirm a date and time, I will circulate to all participants a calendar entry with dial-in information and an agenda.
